Colorado State Lands	Private Lands
	Resource Area Boundary

NOTE TO MAP USERS

These maps are prepared and updated as a planning and management tool. They are prepared from the best available information. Some of the lands shown on these maps may be subject to change without notice. The official land records in the office of the BLM and other Federal agencies should be consulted for the most current information. The official land records in the office of the BLM and other Federal agencies should be consulted for the most current information. The official land records in the office of the BLM and other Federal agencies should be consulted for the most current information.

LITTLE SNAKE RESOURCE AREA
TRANSPORTATION SYSTEM*

Federal and State Highways	County Roads
B.L.M. Roads and Trails	Other Federal Roads and Trails
Private Roads and Trails	

* Only the color coded roads are part of the BLM Transportation System. All other roads may exist but their status is not shown, nor is public use guaranteed.

** Bureau roads are for use, development, protection, and administration of public lands and resources. Although administered by a public agency, and generally open to use by the public, they are not public roads.

† Permission of landowner required for access.

RMP USER NOTE

It is recognized that the management units depicted on this map include areas of private surface estate over federal mineral estate, private, state of Colorado, or other non-federal lands. The management unit prescriptions apply only to BLM managed surface estate or federal mineral estate. None of the management unit prescriptions apply to private, state of Colorado, or other lands not managed by BLM.
